**SUPPLEMENTAL MOTION FOR PRE-TRIAL DETENTION AND HEARING**

Comes now the United States of America, by and through its attorneys, Sayler A. Fleming, United States Attorney for the Eastern District of Missouri, and Ashley M. Walker, Assistant United States Attorney for said District, and moves the Court to order Defendant Eric Washington detained pending trial, and further requests that a detention hearing be held three (3) days from the date of Defendant's initial appearance before the United States Magistrate pursuant to Title 18, United States Code, Section 3141, et seq.

As and for its grounds, the United States of America states as follows:

1. Title 18, United States Code, Section 3142(g) provides factors that the Court must consider in determining whether to order Defendant detained pending trial. These factors include: (a) the nature and circumstances of the offense charged; (b) the weight of the evidence against Defendant; (c) Defendant's criminal history and characteristics; and (d) the danger that would be posed by Defendant's release to any particular individual or the community as a whole.

2. Defendant is currently charged by Indictment with one count of Conspiracy to Commit Murder for Hire, in violation of 18 U.S.C. § 1958, and one count of Murder for Hire, in violation of 18 U.S.C. §§ 1958 & 2.

3. According to an investigation by the St. Louis Metropolitan Police Department (SLMPD) and FBI, in the early morning hours of July 7, 2023, SLMPD officers were alerted to a “Person Down” in the alley of the 4400 block of Kennerly Avenue. There, responding officers discovered victim AW deceased after suffering multiple apparent gunshot wounds.

4. After learning victim AW’s cellphone number, investigators obtained call records and identified the cellphone numbers that communicated with victim AW’s cellphone in the hours leading up to her murder.

5. Investigators also obtained state-level search warrants for tower/area cellular data from three points critical to the investigation: (1) victim AW’s residence; (2) a point along the path victim AW’s device travelled from her residence to the location where her body was recovered, and (3) the place where her body was recovered. From that data, investigators were able to identify the Defendant, Eric Washington, and co-Defendant Justin Lee, based on cellular devices that were with victim AW’s cellular device at or near the same time at all three points. Investigators further determined that Defendant’s device communicated with both cellular devices associated with co-Defendants Andrew Hubbard and Justin Lee throughout the day on July 6<sup>th</sup> into the early morning hours of July 7, 2023.

6. The evidence collected by cellular data demonstrates that the Defendant completed a google search, after victim AW’s murder for “murders in stl”.

7. Investigators also learned through further cellular data that after victim AW was murdered, Defendant contacted an insurance company representative regarding the status of the life insurance policy obtained by co-Defendant Andrew Hubbard in 2019. The listed insured on that policy was the victim, AW. Notably the Defendant was not a beneficiary.

8. The Defendant is charged with violent crimes, one of which carries a maximum penalty including death. Accordingly, the United States moves the Court to order Defendant detained pending trial, and further requests that a detention hearing be held three (3) days from the date of Defendant's initial appearance before the United States Magistrate pursuant to Title 18, United States Code, Section 3141, et seq. It is the government's position that the Defendant is a flight risk and a danger to the community.

9. Based on the statutory factors in 18 U.S.C. 3142(g), detention is appropriate in this case. Pursuant to Section 3142(g)(1), the nature and circumstances of this case are that the Defendant has been charged with crimes of violence. Pursuant to Section 3142(g)(2), the weight of the evidence against the Defendant, as summarized above, is strong.

WHEREFORE, the Government requests that this Court order Defendant detained prior to trial, and further order a detention hearing three (3) days from the date of Defendant's initial appearance.

Respectfully submitted,

SAYLER A. FLEMING  
United States Attorney
